**Subject:** Superfund Stakeholder Outreach - March and April

Hello Patrick,

Per your request below is the list of Superfund stakeholder outreach activities for March and April. There are a few activities that are tentative and some where the details are not fully tied down (such as location). I will send updates as I get more information. If there are specific stakeholder events you plan to attend please let me know and I'll be sure you get specific details for the meeting(s). Overtime you'll start to see a lot of the same meetings as many are fairly regular meetings.

Sincerely, Libby
